INTER-COLLEGIATE ASSOCIATION
OF
AMATEUR ATHLETES OF AMERICA.

CONSTITUTION

ARTICLE I

NAME

This Association shall be known as the INTER-COLLEGIATE ASSOCIATION OF AMATEUR ATHLETES OF AMERICA.

ARTICLE II

OBJECT

The object of this Association shall be the protection of the mutual interests of the different colleges which comprise the Association, and the advancement and improvement of Amateur Athletic Sports among colleges.

ARTICLE III

MEMBERSHIP

The membership of this Association shall be limited to colleges of good and regular standing; and any associate college not sending to the Secretary of the Association, before the annual meeting, evidence of at least one athletic meeting held under I. C. A. A. A. rules during the preceding college year, shall pay a fine of twenty-five dollars, and in default of such payment, such college shall forfeit its membership.

Any associate college that is not represented during two con-

secutive years at the annual field meeting by at least three men shall forfeit its membership.

ARTICLE IV

APPLICATION FOR MEMBERSHIP

Any college desiring to join the Association shall send to the Secretary an application for membership in writing ; said application to be submitted to the Association at its annual meeting.

ARTICLE V

OBLIGATION OF MEMBERSHIP

Each associate college agrees to accept the rules of this Association.

ARTICLE VI

GOVERNMENT

This Association shall be an independent organization, governed entirely by its own Constitution and Laws of Athletics, and any member holding games under other rules shall be expelled from the I. C. A. A. A. A.

ARTICLE VII

MANAGEMENT

The management of this Association shall be entrusted to an Executive Committee, consisting of four members and the President (ex-officio), who shall be undergraduates at the time of election. They shall be elected for a term of one year, and no college shall have more than one representative on the Executive Committee. Vacancies in office, other than that of President, and in the membership of the Executive Committee, arising from any cause whatever, shall be filled by an undergraduate appointed by the college of which said student was a member at the time of election. In case of a vacancy in the office of President, the college that the last incumbent represented shall immediately appoint an undergraduate as a representative to the Executive Committee. The Secretary of the Association shall, thereupon, call a meeting of the Executive Committee,

which shall elect from among its members a new President. The Secretary of the Association shall attend all meetings of the Executive Committee, but have no vote.

The President of the Association, immediately after his election, shall appoint a committee of three graduates from among the alumni of the members of this Association. This committee shall meet with and advise the Executive Committee, but have no power to vote.

The President of the Association, immediately after his election, shall appoint a faculty committee of five ; a member being designated from its faculty by each of the five universities or colleges making the highest scores in points at the previous annual field meeting.

From the members so designated the President shall appoint a chairman who shall be a medium of correspondence between the Faculty Committee and the Association or any other Committee.

ARTICLE VIII

No officer of this Association shall receive any money for his services.

ARTICLE IX

JURISDICTION

This Association hereby declares its absolute jurisdiction among its members, over the following exercises :

1. Running (all distances).
2. Walking.
3. Jumping.
4. Pole vaulting.
5. Putting the shot.
6. Throwing the hammer.
7. Throwing of weights.

ARTICLE X

ANNUAL CONVENTION

The annual convention of this Association shall be held in New York City, at 2 o'clock P. M., upon the last Saturday in February in each year.

ARTICLE XI

ANNUAL FIELD MEETING

The annual field meeting shall be held on the afternoon of the last Saturday in May, in each year ; but the preliminary heats of the

100 yards and 220 yards, and quarter-mile runs, the 120 and 220 yards hurdle races, and the half-mile run (when in the opinion of the referee the number of entries shall render it necessary), shall be run on the previous Friday afternoon, continuing until there is left to be run on Saturday afternoon only the semi-final and final heats in the 100 yards and 220 yards runs, and the 120 yards and 220 yards hurdle races, and only the final in the quarter-mile (in which there shall be not more than nine starters), and in the half-mile runs. The field events shall be started on Friday afternoon; on that afternoon each man in the weights and broad jump shall be allowed three trials. On Saturday afternoon the best five competitors in each field event shall be allowed to compete; on that afternoon the competitors in the weights and broad jump shall be allowed three trials, and the best four competitors of the two afternoons, three additional trials. The best performance of the two afternoons, other than in the pole vault and high jump, shall decide the contest in each field event, but in the pole vault and high jump the contest shall be alone decided by the contest of Saturday.

ARTICLE XII

SPECIAL MEETINGS

A special meeting may be called at the written request of any three colleges belonging to this Association, provided that a notice of such meeting and of the object for which it is called be sent to every college at least fifteen days before the date assigned for such meeting.

ARTICLE XIII }

REPRESENTATION AT MEETINGS

At all meetings each college may be represented by no more than three undergraduate delegates, each of whom may take part in all discussions; but, in the decision of any matter, each college shall be entitled to only one vote, said vote to be cast by an accredited undergraduate delegate. No voting by proxy shall be allowed.

ARTICLE XIV

ALUMNI

Any member or ex-member of an executive or advisory committee, or any former officer, shall be allowed to enter into discussion, but not to vote, and any alumnus may be given the floor by a two-thirds vote of the Association.

ARTICLE XV

DUES

The annual dues shall be ten dollars, payable at the annual meeting, and any college in arrears for one year's dues, may be suspended or expelled without notice.

ARTICLE XVI

AMATEUR DEFINITION

An amateur is a person who has never competed in an open competition, or for money, or under a false name ; or with a professional for a prize ; or with a professional where gate money is charged ; nor has ever at any time taught, pursued or assisted at athletic exercises for money, or for any valuable consideration. But nothing in this definition shall be construed to prohibit the competition between amateurs for medals, cups, or other prizes than money. To prevent any misunderstanding in reading the above, the Association draws attention to the following explanations and adjudications :

An athlete has forfeited his right to compete as an amateur, and has thereby become a professional, by—

(a) Ever having competed in an open competition, *i. e.*, a competition the entries to which are open to all, irrespective as to whether the competitors are amateurs or professionals, and whether such competition be for a prize or not, in any athletic exercises, viz., base ball, rowing, cricket, etc.

(b) Ever having competed for money in any athletic exercise.

(c) Ever having competed under a false name in any athletic exercise.

(d) Ever having knowingly competed with a professional for a prize, or where gate money is charged, in any athletic exercise.

(e) Ever having taught or pursued as a means of livelihood any athletic exercise.

(f) Ever having directly or indirectly accepted or received remuneration for engaging in any athletic exercise.

An athlete shall hereafter forfeit his right to compete as an amateur, and shall thereby become a professional, if, at any time after the foregoing definition shall take effect, he shall—

(1) Directly or indirectly receive payment for training or coaching any other person in any athletic exercise.

(2) Directly or indirectly receive payment for services personally rendered in teaching any athletic exercise.

(3) Directly or indirectly receive payment for services rendered as Referee, Judge, Umpire, Scorer, Manager, Director, or in any other capacity at any professional exhibition or contest of any athletic exercise whatsoever.

NOTE.—Nothing herein shall be construed to prohibit the acceptance by any amateur of his necessary traveling expenses incurred as Referee, Judge, Umpire, Scorer, or Starter, in going to and from the place of any amateur contest.

(4) Directly or indirectly run, manage or direct, for prospective profit, any professional exhibition or contest.

An amateur shall not forfeit his right to compete as an amateur, and shall not become a professional, by—

(a) Receiving compensation for services rendered as ticket taker or ticket seller at any contest or exhibition of amateur athletics.

(b) Receiving compensation for services personally rendered as Secretary, Treasurer, Manager or Superintendent of any amateur athletic club.

(c) Receiving compensation as editor, correspondent or reporter of, or contributor to, any sporting, athletic or other paper or periodical.

(d) Running, managing or directing, for prospective profit, any sporting, athletic or other paper or periodical.

(e) Receiving compensation for services personally rendered as official handicapper, under the direction and authority of any amateur athletic association.

(f) Receiving from a club of which he shall be a member, the amount of his expenses necessarily incurred in traveling to and from the place of any amateur contest.

(g) Nothing in this rule shall be construed so as to consider a man a professional who has played on a college team against a professional team.

ARTICLE XVII

ELIGIBILITY FOR COMPETITION

(1) No one shall represent any college or university as a competitor

at any intercollegiate meeting who is not an amateur as set forth in Article XVI. of this Constitution.

(2) No one shall represent any college or university as a competitor at an intercollegiate meeting, who, after February 26, 1898, has attended any training-table without paying for his board, at that training-table, an amount equal to that which his board would have cost him had he not been at that training-table.

(3) No one shall represent any college or university as a competitor at an intercollegiate meeting who has not been a member of that college or university, in good and regular standing, from the 15th of the preceding October.

(4) If a student has represented a college in any intercollegiate track meeting in which two or more colleges have participated, and has won a first or second place in such meeting, he shall not be eligible to represent in the annual field meeting any other college he may attend until he has attended such college one full calendar year, and shall have attained in the annual examination upon his work given during that period, a satisfactory standard of scholarship.

(5) No one shall represent any college or university as a competitor at the annual field meeting, who, since the 26th day of February, 1898, has won a first, second or third place in any field or track event open to competitors from two or more organizations, until he shall have resided one calendar year at the college or university he represents, and shall have attained in the annual examinations on his work during that period a satisfactory standard of scholarship. This section, however, shall not apply to events restricted exclusively to competitors from colleges or preparatory schools.

(6) No one shall represent a college or university at the annual field meeting unless he shall be a student for a degree, or taking a special or partial course that requires an amount of preparation for admission, and of work after admission regarded by the college or university he represents as equivalent to the work required by a student for a degree.

(7) No one shall represent any college or university at the annual field meeting who has been expelled, suspended, or who has resigned while not in good standing, or dropped from his class

into a lower class, or from his first year class out of the college, or university, or who, not being in good standing in one department, has transferred to another, or has not passed entrance examinations equivalent to those required for admission into the academic or scientific department until he has completed one calendar year's work, and shall have attained in the annual examinations upon his work given during that period, a satisfactory standard of scholarship, or has been permitted by his college or university to regain the class or department from which he was expelled, suspended or dropped, or has transferred or resigned.

(a) In the event of a competitor's qualifications being questioned under Section 2, he shall furnish to the Executive Committee an affidavit from himself, stating he has complied in letter and spirit with Clause 2 of Article XVII. of this Constitution, and shall state in such affidavit the ordinary cost of the board, and the amount paid, as board, for his training-table. He shall also furnish from the person or persons to whom he has paid said board, an affidavit setting forth the amount paid to and received by him (or them), as board, from the protested competitor, or such other evidence as shall be satisfactory to the Committee.

(b) In the event of a competitor's qualification being questioned under Section 3, 6 or 7, he shall furnish to the Executive Committee a certificate signed by the Dean of his department, stating that he is eligible under the provisions of said sections, and shall give such further evidence as the Committee shall deem necessary to establish his right to compete.

(c) In the event of a competitor's qualification being questioned under Section 4 or 5, he shall furnish the Executive Committee a statement specifically denying the charges made against him over his signature, and shall give such further evidence as the Committee shall deem necessary to establish his right to compete.

(d) Findings of the Executive Committee under Article XVII, when the question to be determined is in regard to the scholastic standing only of the protested competitor may be appealed to the Faculty Committee whose decision shall be final.

ARTICLE XVIII

TIMES OF COMPETITION.

A student shall be allowed to compete at the Intercollegiate Meeting four times and no more, no matter whether he changes from one college and goes to another or not. This applies to all departments, viz., Medical, Law, Academical, etc. It shall be understood that a student may compete two years in one department or college and then go to another department or college and compete the remaining two, but in no event shall a student compete more than four times.

ARTICLE XIX

PENALTIES

Any violation in letter or spirit of the rules of the Association shall render a member, or competitor, liable to suspension by the Executive Committee until the next meeting of the Association, and to suspension or expulsion by a two-thirds vote of the colleges represented at such meeting.

ARTICLE XX

GAME OFFICIALS

The Referee shall be selected by the Executive Committee not later than April 1, and shall name at least two officials for each position necessary for the proper conduct of the annual field meeting, and from such nominations the Executive Committee shall, before May 1, select the officials for the games.

The Starter of the games shall be a professional.

ARTICLE XXI

AMENDMENTS

No addition, alteration or amendment shall be made to this Constitution at any meeting, except by a two-thirds vote of the colleges represented. At least thirty days' notice of any such proposed change must be given to the Secretary, of which due notice shall at once be sent to the colleges belonging to this Association.

BY-LAWS

ARTICLE I

SECTION 1. The officers of this Association shall be a President, two Honorary Vice-Presidents, a Secretary and a Treasurer. They shall hold office for one year, and shall be elected by a majority vote of all colleges represented at the annual meeting.

SEC. 2. No candidate for the position of President or Vice-President shall be eligible unless at the time of his election he is an undergraduate in one of the colleges of the Association; by "undergraduate" is meant an undergraduate in any department.

SEC. 3. No candidate for the position of Secretary or Treasurer shall be eligible whose college course will end sooner than one year from the date of his election.

ARTICLE II

DUTIES OF OFFICERS

SECTION 1. The President shall preside at all meetings of the Association and of the Executive Committee, appoint all sub-committees, audit and approve all bills, and order meetings of the Executive Committee, or Association, whenever in his judgment he may deem it necessary.

SEC. 2. The Secretary shall keep the minutes of the Association and of the Executive Committee, and shall conduct the correspondence, and shall have charge of and be responsible for all books and papers except those of the Manager and Treasurer. It shall be his duty to send the official hand-book to the colleges of the Association as soon as practicable after the annual meeting.

SEC. 3. The Treasurer shall collect and have charge of all moneys belonging to the Association, shall pay all bills when prop-

erly approved, and submit a report thereof to the Association at the regular meeting, or whenever called upon to do so.

SEC. 4. All bills shall be presented to the President, and shall be audited by him ; in case of approval, he shall affix his signature and date of approval. After such approval, the Treasurer shall be authorized to pay by check, which must be countersigned by the President.

SEC. 5. The Treasurer's report shall be submitted to, and audited by, some responsible accountant to be selected by the President, before being submitted to, and accepted by, the Association at its annual convention.

ARTICLE III

SECTION 1. The Executive Committee shall assume entire control of the annual games, and shall decide all protests. The Executive Committee shall, at a meeting held in March, select a Manager for the games, who shall be a college graduate, and shall, under the direction of the Executive Committee and the President, attend to all matters relating to the annual games, such as advertising, tickets, grounds, etc.

SEC. 2. A stated meeting of the Executive Committee shall be held on the evening before the annual field meeting.

ARTICLE IV

Entries, including the class number of each man, arranged in accordance with the respective ability of such men for the event entered, shall be made to the President, and shall close at least three weeks before the day assigned for the annual field meeting. At least fifteen days before the annual games, a printed list of all the entries shall be sent to all the colleges of the Association. Protests must be sent to the Secretary as soon as this list is received, stating the grounds upon which this protest is made. The Secretary shall at once notify the competitors protested and all members of the Executive Committee ; he shall also send to the competitors protested the grounds of protest, and, if in violation of any clause of Article XVII. of the Constitution, a certificate of qualification, which shall have printed plainly upon its face Article XVII. of the Constitution, with

blank for such evidence as is required by the clause of said article under which the competitor is protested. On receipt of this notice, the man protested shall immediately forward to the Executive Committee evidence of his eligibility to compete. The Executive Committee may then decide the case, or, in their discretion, appoint a subsequent date, at which, after due notice, both sides may appear and be heard. The Executive Committee shall decide, by lot, the different positions of each college in each track event.

ARTICLE V

The events for the annual field meeting shall be as follows :

1. Running 100 yards.
2. Running 220 yards.
3. Running 440 yards.
4. Running one-half mile.

12. 220 yards run, final.

Field Events

1. Putting the shot.
2. Pole vaulting.
3. Running high jump.
4. Throwing the hammer.
5. Running broad jump.

ARTICLE VII

The Executive Committee shall annually, in their discretion, declare a dividend, to be divided equally among the colleges who are represented by competition at the annual field meeting in at least three different events, preliminary or final.

ARTICLE VIII

ORDER OF BUSINESS

1. Roll call.
2. Reading, correction and adoption of minutes.
3. Unfinished business.
4. Reports, communications and new business.
5. Election of officers.
6. Adjournment.

ARTICLE IX

No college shall enter more than eight men for any one competition, or start more than five.

ARTICLE X

These By-laws may be altered, amended or suspended at any meeting of the Association by a two-thirds vote of the colleges represented. At least thirty days' notice of any such proposed change must be given to the Secretary, of which due notice shall at once be sent to the colleges belonging to this Association. No amendment to Articles V. or VI., unless by unanimous consent of the colleges represented, shall go into effect until the field meeting next succeeding that following the passing of the amendment.

RULES TO GOVERN THE AWARDING OF THE CHAMPIONSHIP CUP

RULE I

This cup shall be awarded to that college of the Inter-Collegiate Association of Amateur Athletes of America which shall first win the annual field meeting five times, excluding ties.

RULE II

SECTION 1. That college shall be champion which shall score a plurality of points.

SEC. 2. Points shall be counted as follows:

A first place shall count five points.

A second place shall count three points.

A third place shall count two points.

A fourth place shall count one point.

In case of a tie the points shall be divided.

SEC. 3. In the case of two or more colleges scoring an equal number of points, then if one of these colleges shall have been champion for the previous year, that college shall continue to hold the championship and cup for the ensuing year.

SEC. 4. In case the champions of the previous year be not of those colleges described under Section 3, Rule II, and that two or more colleges shall score an equal number of points, then for the ensuing year the championship shall be held in abeyance and the cup shall be kept by the Association.

SEC. 5. The colleges winning or tying for the Inter-Collegiate championship shall have their names inscribed on the cup together with the date and place of the annual field meeting.

RULE III

All disputes in regard to the possession of the cup shall be referred to the Executive Committee of the Association.

PRIZES

RULE I

The sum of fifty dollars shall be appropriated annually for the purchase of two flags to be presented to the champion college, one the color of the college winning it, the other the national flag.

RULE II

A standard record medal at the value of fifteen dollars shall be presented to any contestant who shall lower an intercollegiate record.

RULE III

In every event a gold medal shall be awarded to first, a silver to second and a bronze to third. In the event of a tie, and the inability of the contestants to agree upon a method of award, the medals shall be awarded as the Referee shall decide.

RULE IV

All medals and flags awarded by the Inter-Collegiate Association of Amateur Athletes of America shall bear the year in which they were won.

LAWS OF ATHLETICS

I

OFFICERS

The officers of an athletic meeting shall be :

- One Referee.
- Four Inspectors to assist Referee.
- One Scorer.
- Five Assistant Scorers.
- One Clerk of the Course.
- Five Assistant Clerks of the Course.
- One Reporter.
- One Announcer, with Assistants, if necessary.

1. For Track events :

- Four Judges at the finish.
- Three Time-Keepers.
- One Starter.

2. For Field Events :

- Eight Field Judges or Measurers.

II

REFEREE

He shall, when appealed to, decide all questions whose settlement is not otherwise provided for in these rules. His decision shall be final and without appeal.

In case a race has been drawn into heats, and no more contestants appear than enough to make one heat, the referee shall be empowered to see that the race is run in one heat ; but in all races requiring more than one heat he shall see that no second man shall be debarred from a chance to qualify in the finals.

III

JUDGES AT THE FINISH

Two shall stand at one end of the tape, and two at the other. One shall take the winner, another the second man, another the third man, and the other the fourth. In case of disagreement the majority shall decide. Their decision as to the order in which the men finished shall be final and without appeal.

IV

FIELD JUDGES OR MEASURERS

They shall measure, judge and record each trial of each competitor in all games, whose record is of distance or height. Their decision as to the performance of each man shall be final and without appeal. There shall be eight measurers : two for the hammer throwing and shot putting events, two for the high jump, two for the broad jump, and two for the pole vault. These measurers shall be responsible for commencing their respective events promptly at 2 P. M. on each afternoon of the meet, and for their continuance without unnecessary delays. They shall excuse a contestant from a field event in which he is taking part, for a period long enough to contest in a heat in a track event, and allow said contestant to take his missed turn or turns in said field event within a reasonable time after the track heat. They shall see that reasonable opportunities are given to contestants who desire to try in two field events that are being contested at the same time.

V

JUDGE OF WALKING

He shall have entire control of competitors during the race, and his decision as to unfair walking shall be final and without appeal.

The assistants shall do such portions of his work as he may assign to them.

VI

TIME-KEEPERS

Each of the three time-keepers shall time every event ; and in case two watches agree, and the third disagrees, the time marked by the two shall be official time ; and if all watches disagree, the time

marked by the watch giving the middle time shall be the official time; if there be but two time-keepers, and their watches do not agree, the time marked by the slowest watch shall be the official time. Time shall be taken from the flash of the pistol.

VII

CLERK OF THE COURSE

He shall record the name of each competitor who shall report to him, and shall give him his number for each event in which he is entered, and notify him before the start of every event in which he is engaged. He shall be responsible for getting out at the proper time the contestants for each event.

The assistants shall do such work as he may assign to them.

VIII

SCORER

He shall keep a record of the starters and point winners in each event, together with their respective places. He shall record the laps made by each competitor, and call them aloud, when tallied, for the benefit of the contestants.

The assistants shall do such portions of his work as he may assign to them.

IX

STARTER

He shall have entire control of competitors at marks, and shall be the sole judge of fact as to whether or not any man has gone over his mark. He shall be responsible for starting the track events promptly at 2 P. M. on each afternoon of the meet. He shall also be responsible for any unnecessary delay in the continuance of the said events.

X

COMPETITORS

Immediately on arriving at the grounds, each competitor shall report to the clerk of the course and obtain his number for the game in which he is entered. He shall inform himself of the times at which he must compete, and shall report promptly at the start, without waiting to be notified. No competitor shall be allowed to start without his proper number.

XI

PROTESTS

Verbal protests may be made at or before any athletic meeting, against a competitor or team, by any competitor or college competing; but such protest must be subsequently, and before action thereon, made in writing and duly presented to the Association.

XII

INNER GROUNDS

No person whatever shall be allowed inside the track, except the officials and properly accredited representatives of the press. Authorized persons shall wear a badge. Competitors not engaged in the game actually taking place shall not be allowed inside or upon the track.

XIII

TRACK

The measurement of tracks shall be 18 inches from the inner edge, which edge shall be a solid curb raised 3 inches above the level of the track.

XIV

ATTENDANTS

No attendant shall accompany a competitor on the scratch or in the race.

XV

STARTING SIGNALS

All races (except time handicaps) shall be started by the report of pistol, the pistol to be fired so that its flash may be visible to the time-keepers. A snap cap shall be no start. There shall be no recall after the pistol is fired. Time handicaps shall be started by the word "Go."

XVI

STARTING

When the starter receives a signal from the judge at the finish that everything is in readiness, he shall direct the competitors to get on their marks. Any competitor starting before the signal shall be put

back one yard, for the second offense another yard and for the third shall be disqualified. He shall be held to have started when **any** portion of his body touches the ground in front of his mark. Stations count from the inside.

XVII

KEEPING PROPER COURSE

In all races on a straight track each competitor shall keep his own position on the course from start to finish. In the 100 and 220 yards dashes, courses for contestants shall be marked out by stakes protruding 18 inches from the ground, and connected at the top by a cord or wire plainly marked.

XVIII

CHANGE OF COURSE

In all races other than on a straight track, a competitor may change toward the inside whenever he is two strides ahead of the man whose path he crosses.

XIX

FOULING

Any competitor may be disqualified by the referee for jostling, running across, or in any way impeding another.

XX

FINISH

The finish line shall be a line on the ground drawn across the track from finish post to finish post, and the men shall be placed in the order in which they completely cross this line. For the purpose of aiding the judges, but not as the finish line, a thread shall be stretched across the track at the finish, 4 feet above the ground; it shall not be held by the judges, but fastened to the finish posts on either side so that it may always be at right angles to the course and parallel to the ground; this thread should be "breasted" by the competitor or competitors in finishing and not seized with the hands.

XXI

WALKING

The judge shall caution for any unfair walking, and the third caution shall disqualify the offender. On the last one-eighth (220 yards) of a mile, an unfair walker shall be disqualified without previous caution.

XXII

HURDLES

120 yards hurdle race shall be over ten hurdles, each 3 feet 6 inches high. The first hurdle shall be placed 15 yards from the scratch, and there shall be 10 yards between each hurdle. 220 yards hurdle race shall be over ten hurdles, each 2 feet 6 inches high. The first hurdle shall be placed 20 yards from the scratch, and there shall be 20 yards between each hurdle. Hurdle races of different number and height of hurdles may be given. No record shall be made in a hurdle race unless each of the hurdles, at the time the competitor jumps the same, is standing.

XXIII

JUMPING

No weights or artificial aid will be allowed in any jumping contest except by special agreement or announcement. When weights are allowed, there shall be no restrictions as to size, shape or material.

XXIV

RUNNING HIGH JUMP AND POLE-VAULT

The height of the bar at starting and at each successive elevation shall be determined by the measurers. Three tries allowed at each height. Each competitor shall make one attempt in the order of his name on the programme; then those who have failed (if any) shall have a second trial in regular order, and those failing on this trial shall take their final trial. A competitor may omit his trials at any height, but if he fail at the next height he shall not be allowed to go back and try the height he omitted. Each competitor shall be credited with the best of all his jumps or vaults.

High Jump—A line shall be drawn 3 feet in front of the bar and

parallel therewith, and stepping over such line, to be known as the balk line, in any attempt, shall count as a balk. Three balks shall count as a "try." Displacing the bar shall count as a "try."

Pole Vault—A line shall be drawn 15 feet in front of the pole and parallel therewith, and stepping over such line, to be known as the balk line, in any attempt, shall count as a balk. Two balks count as a "try." Displacing the bar or leaving the ground in an attempt shall count as a "try." The poles shall be unlimited as to size and weight, but shall have no assisting devices, except that they may be wound or wrapped with any substance for the purpose of affording a firmer grasp, and may have one prong at the lower end.

No competitor shall, during his vault, raise the hand which was uppermost when he left the ground to a higher point of the pole, nor shall he raise the hand which was undermost when he left the ground to any point on the pole above the other hand.

Any competitor who uses a pole without a spike shall be allowed to dig a hole not more than 1 foot in diameter at the take-off in which to plant his pole.

XXV

RUNNING BROAD JUMP

The competitors shall have unlimited run, but must take off from or behind the scratch. The scratch line shall be a joist 5 inches wide, the ground in front of which shall be removed to the depth of 3 and the width of 6 inches. Stepping over the scratch in an attempt shall be no jump, but shall count as a "try." Each competitor shall be allowed three trials, and the best four men shall have three more trials each. Each competitor shall be credited with the best of all his jumps. The measurement shall be from the outer edge of the joist to the nearest break of the ground made by any part of his person. A line shall be drawn 6 feet in front of the scratch line, and stepping over such line in an attempt shall count as a balk; three balks count as a "try."

XXVI

PUTTING THE SHOT

The shot shall be a metal sphere weighing 16 pounds. It shall be put from the shoulder with one hand, and during the attempt it shall not pass behind nor below the shoulder. It shall be put from a circle

7 feet in diameter, 4 feet of whose circumference shall be a toe board, 4 inches in height. Foul puts, which shall not be measured, but which shall count as puts, are as follows :

1. Letting go of the shot in an attempt.
2. Touching the ground outside the circle with any portion of the body while the shot is in hand.
3. Touching the ground forward of the front half of the circle with any portion of the body before the put is measured.

Each competitor shall be allowed three puts, and the best four men shall each be allowed three more puts. Each competitor shall be credited with the best of all his puts. The measurement of the put shall be from the nearest edge of the first mark made by the shot to the point of the circumference of the circle nearest such mark.

XXVII

THROWING THE HAMMER

The hammer head shall be a metal sphere. The handle may be of any material, and the combined length of the head and handle shall not be more than 4 feet, and the combined weight shall not be less than 16 pounds.

The hammer shall be thrown from a circle 7 feet in diameter. In making an attempt a competitor may assume any position he pleases. Foul throws, which shall not be measured but which shall count as throws, are as follows :

1. Letting go of the hammer in an attempt.
2. Touching the ground outside the circle with any portion of the body while the hammer is in hand.
3. Touching the ground forward of the front half of the circle with any portion of the body before the throw is measured.

Each competitor shall be allowed three throws, and the best four men shall each be allowed three more throws. Each competitor shall be credited with the best of all his throws. The measurement of the throw shall be from the nearest edge of the first mark made by the head of the hammer to the point of the circumference of the circle nearest such mark.

XXVIII

Associate clubs shall have entire charge of the entries of their own members in athletic meetings, provided, always, that no member shall enter, compete or take part in any event at any athletic meeting, the entries to which event shall not be limited to amateur athletics. This rule, however, shall not prevent this Association or its Executive Committee from prohibiting entries to any event or events.

XXIX

In all classes of limit events, competitors shall not be debarred by reason of having made a better record after the closing of entries for such event.

XXX

All cases of dispute and any question that may arise not provided for in these laws, and in the interpretation of these laws, shall be referred to the Executive Committee of the Association.

XXXI

An inter-collegiate record is any record made at the annual meeting of the I. C. A. A. A. A.

A collegiate record is one made at any meet held by a member of the I. C. A. A. A. A.

The I. C. A. A. A. A. shall keep a list of all inter-collegiate records, and another of all collegiate records.

XXXII

This Association shall from time to time give its approval to all records made in standard "collegiate" games, and when so desired shall in its discretion inquire into and give its approval to all other (collegiate) athletic records and games.

No record in running or walking shall be given, unless the same shall be timed by at least two official time-keepers, or by assistant time-keepers appointed by the referee

No record shall be given in the high, standing or broad jump, pole-vaulting, putting the shot or throwing the hammer, unless the same shall be measured by at least two official measurers.

Said timers and measurers shall be regularly approved by the "club" or association giving games, or by the referee.

Spalding's Running Shoes

Arthur F. Duffey

Holder of the world's record, 93-5s. for 100 yards, wears Spalding Shoes in all his races.

M. W. Long

Holder of the world's 440 yards record; the American, English and International champion, wears Spalding Shoes in all his races.

B. J. Wefers

Holder of the world's record for 220 yards, made his record with a pair of Spalding Shoes.

John F. Cregan

The American half-mile and Intercollegiate champion, and thousands of others attribute their success on the path to the fact that they had a well-fitting, light, serviceable shoe to wear.

Nearly every American, Intercollegiate and Interscholastic record has been made when the contestant wore Spalding Shoes.

How to Become a Boxer

Spalding's Athletic Library No. 162

For many years books have been issued on the art of boxing, but it has remained for us to arrange a book which we think is sure to fill all demands. It contains over 70 pages of illustrations showing all the latest blows, posed especially for this book under the supervision of one of the best instructors of boxing in the United States, who makes a specialty of teaching and who knows how to impart his knowledge. They are so arranged that anyone can easily become a proficient boxer. The book also contains pictures of all the well-

known boxers. A partial list of the 200 pages of the book include: A history of boxing; how to box; the correct position; the hands; clenching the fist; the art of gauging distance; the first principles of hitting; the elements of defence; feinting; knockout blows; the chin punch; the blow under the ear; the famous solar plexus knockout; the heart blow; famous blows and their originators; Fitzsimmons' contribution; the McCoy corkscrew; the kidney punch; the liver punch; the science of boxing; proper position of hand and arm; left hook to face; hook to the jaw; how to deliver the solar plexus; correct delivery of a right uppercut; blocking a right swing and sending a right uppercut to chin; blocking a left swing and sending a left uppercut to chin; the side step; hints on training, diet and breathing; how to train; rules for boxing.

Ten Minutes' Exercise

By
Dr. Luther Gulick **for Busy Men**

Dr. Gulick says: "The experience of years has demonstrated the efficiency of the exercises contained in 'Ten Minutes' Exercise for Busy Men' in securing the ends for which they were devised. Many letters have been written by men, testifying to the great benefit which they have secured from these few minutes of simple but vigorous work.

"* * * The correspondence schools of physical training have come into great activity. Their general aim is to build up big muscles. A somewhat careful investigation of them satisfies me that they are inferior to the exercises in this drill for purposes of building up vigor and manliness.

"One of the most vigorous claims of some of these schools, namely, that the heart particularly is benefited by their work, is false, for I have had case after case of men whose hearts have been injured by taking the correspondence schools' work when they were not in condition for it.

"The exercises in 'Ten Minutes' Exercise for Busy Men' are recommended with the confidence of long, successful use. The results secured are better than those possible from the correspondence school work in the specific directions mentioned."

HOW TO BECOME A BOXER

For many years publications have been issued on the art of boxing that to a certain extent did not enable the novice nor the youth to become proficient in the manly art. There is probably no man in America better qualified to teach boxing than Prof. William Elmer, and in his book on the subject he goes into it very exhaustively. The book contains about seventy full page illustrations, showing how each blow is to be made, how to attack and how to defend yourself. It shows how the hands must be held and the positions to take, with descriptions that are so accurate that any boy can take them, open them up and with a young friend become proficient. Besides being a fully illustrated book on the art of self-defence, it contains nearly all the photographs of the leading American boxers and the positions they take, which in itself is instructive; the different rules under which all contests are held, and articles which will interest anyone on the question of physical education. In order to make this publication the most accurate one issued, Prof. Elmer had his sparring partner posed personally for all the illustrations.

The Spalding Patent Solid Striking Bag Disks

(PATENTED)

THE solid disk for striking bags will always hold a high place in the estimation of many on account of the variety of work it permits. The style which we originally introduced some years ago is the one which has been imitated most generally, but in all these substitutes the makers, while making them lighter, have uniformly neglected the most essential point and have produced an article flimsy and unsatisfactory to a degree.

A striking bag disk must be substantial if it is to be of use, and in the various styles, both adjustable and braced, which we manufacture, this feature has not been neglected, while we have striven to put out a disk which is suitable for home use and moderate in price. : :

No. 214—Graded Callisthenics and Dumb-Bell Drills

By Albert B. Wegener, Physical Director Y. M. C. A., Rochester, N. Y. Ever since graded apparatus work has been used in gymnastics, the necessity of having a mass drill that would harmonize with it has been felt. For years it has been the established custom in most gymnasiums of memorizing a set drill, never varied from one year's end to the other. Consequently the beginner was given the same kind and amount as the older member. With a view to giving uniformity the present treatise is attempted. Price 10 cents

No. 215—Indoor Base Ball

America's national game is now vying with other indoor games as a winter pastime. This book contains the playing rules, pictures of leading teams, and interesting articles on the game. Price 10 cents.

No. 217—Official Athletic Almanac

Compiled by J. E. Sullivan, Chief Department Physical Culture, Louisiana Purchase Exposition, and Director Olympic Games, 1904. The only annual publication now issued that contains a complete list of amateur best-on-records; complete inter-collegiate records; complete English records from 1866; swimming records; inter-

scholastic records; Irish, Scotch and Australasian records; reports of leading athletic meets; skating records; important athletic events and numerous photos of individual athletes and leading athletic teams. This year's issue is a special Olympic Games number and contains the only full account of the Olympic Games of 1904, and a review of Anthropological Days at the World's Fair stadium, being the first time on record where athletic events were contested in which savages were the exclusive participants, thus forming the first authoritative basis for a comparison between the abilities of the civilized athlete and the savage. Price 10 cents.

Spalding's Athletic Library

An Encyclopedia of Base Ball

Attention is called to the following ten numbers of Spalding's Athletic Library, embracing the greatest collection of books of instruction for playing the various positions in the game that has ever been published. These books are entirely new and up-to-date, and contain the latest methods of play, as only last season's star players were consulted in their compilation. Each number is complete in itself and is profusely illustrated. Be sure and ask for Spalding's Athletic Library. Price 10 cents for each book. For detailed description see following numbers;

No. 223—How to Bat

The most important part of ball playing nowadays, outside of pitching, is batting. The team that can bat and has some good pitchers can win base ball games; therefore, every boy and young man who has, of course, already learned to catch, should turn his attention to this department of the game, and there is no better way of becoming proficient than by reading this book and

then constantly practising the little tricks explained therein. It is full of good advice to batsmen, and many good batters will be surprised to find contained in it so many points of which they were unaware. Edited by Jesse F. Matteson of the Chicago American, and profusely illustrated. Price 10 cents.

No. 224—How to Play the Outfield.

Compiled especially for the young player who would become an expert. The best book on playing the outfield that has ever been published. There are just as many tricks to be learned, before a player can be a competent fielder, as there are in any other position on a nine, and this book explains them all. Illustrated with numerous

page pictures of leading outfielders. Price 10 cents.

No. 225—How to Play First Base

No other position on a ball team has shown such a change for the better in recent years as first base. Modifications in line with the betterment of the sport in every department have been made at intervals, but in no other department have they been so radical. No boy who plays the initial sack can afford to overlook the points and hints contained in this book. Entirely new and up to date. Illustrated with full

page pictures of all the prominent first basemen. Price 10 cents.

No. 226—How to Play Second Base

There are so few men who can cover second base to perfection that their names can easily be called off by anyone who follows the game of base ball. Team owners who possess such players would not part with them for thousands of dollars. These men have been interviewed and their ideas incorporated in this book for the especial benefit of boys who want to know the fine points of play at this point of the diamond. Illustrated with full page pictures. Edited

by J. E. Wray, sporting editor *Globe-Democrat*, St. Louis. Price 10 cents.

No. 227—How to Play Third Base

Third base is, in some respects, the most important of the infield. No major league team has ever won a pennant without a great third baseman. Collins of the Boston Americans and Leach of Pittsburg are two of the greatest third basemen the game has ever seen, and their teams owe much of the credit for pennants they have won to them. These men in this book describe just how they play the position. Everything a player should know is clearly set

forth and any boy will surely increase his chances of success by a careful reading of this book. Illustrated. Price 10 cents.

No. 228—How to Play Shortstop

Shortstop is one of the hardest positions on the infield to fill, and quick thought and quick action are necessary for a player who expects to make good as a shortstop. The views of every well known player who covers this position have been sought in compiling this book, and it is offered as being the most complete book of its class ever

produced. The boy who would excel at short needs to study it thoroughly. Illustrated. Price 10 cents.

No. 229—How to Catch

Undoubtedly the best book on catching that has yet been published. Every boy who has hopes of being a clever catcher should read how well known players cover their position. Among the more noted ones who describe their methods of play in this book are Lou Criger of the Boston Americans, Johnnie Kling of the Chicago Nationals and Jack O'Connor of the St.

Louis Browns. The numerous pictures in the book comprise those of all the noted catchers in the big leagues. Price 10 cents.

No. 230—How to Pitch

A new, up-to-date book. Published for the first time this year. No boy can afford to be without a copy of it. Edited by John B. Foster of the *Evening Telegram* (New York). The object of this book is to aid the beginners who aspire to become clever twirlers, and its contents are the practical teaching of men who have reached the top as pitchers, and who have had experience, both as members of the best clubs playing base ball and as contenders against teams

that have enjoyed national reputations. Cy Young, the famous Boston American pitcher, whose steadiness in the box is proverbial, gives advice on control of the ball and tells what a boy should do to obtain it; Sam Loefer of the Pittsburghs shows how to pitch the outcurve; William Dinneen of the Boston Americans tells how to pitch an inshoot; Thomas Hughes gives hints on pitching the drop; Joe McGinnity, the "iron man," of the New York Nationals, explains how he uses his successful raise ball and his famous "cross fire"; Christy Mathewson, the pride of the New York Polo Grounds, discusses the body swing; Frank Hahn, who is left-handed, has something of interest to those who use that member; John J. McGraw, New York Giants' brilliant manager, discourses on the pitcher as a fielder, and as he started in his base ball career as a twirler, his advice has grounds for attention; Al Orth, the "curveless wonder," tells how to make a batter do what you want him to do; John Powell explains how to act when runners are on bases; Charley Nichols, the former pitcher of the Boston Nationals and now manager of the St. Louis Nationals, describes the jump ball; Frank Sparks treats of change of pace, and Jack Chesbro, the star of the New York Americans' pitching corps, describes at length the "spit" ball, of which he is so famous an exponent. The book is profusely illustrated. Price 10 cents.

No. 231—How to Coach; How to Captain a Team; How to Manage a Team; How to Umpire: How to Organize a League.

A useful guide to all who are interested in the above subjects. Jimmy Collins, manager-captain of the Boston Americans, writes on coaching; M. J. Kelly of the St. Paul champions, on captaining; Al Buckenberger of the Boston Nationals, on managing; Frank Dwyer of the American League staff, on umpiring; Fred Lake on minor leagues, and the editor of the book, T. H. Murnane, President of the New England League, on how to organize a league. Price 10 cents.

No. 232—How to Run the Bases

The importance of base running as a scientific feature of the national game is becoming more and more recognized each year. Besides being spectacular, feats of base stealing nearly always figure in the winning of a game. Many a close contest is decided on the winning of that little strip of 90 feet which lies between cushions. When hits are few and the enemy's pitchers steady, it becomes incumbent on the opposing team to get around the bases in some manner. Effective stealing not only increases the effectiveness of

Spalding's Athletic Library

the team by advancing its runners without wasting hits, but it serves to materially disconcert the enemy and frequently has caused an entire opposing club to temporarily lose its poise and throw away the game. This book gives clear and concise directions for excelling as a base runner; tells when to run and when not to do so; how and when to slide; team work on the bases; in fact, every point of the game is thoroughly explained. In addition such clever men as Harry Bay, the fleet footed Clevelander; Frank Chance, Bill Dahlen and Hans Wagner describe their methods of action. Illustrated with pictures of leading players. Price 10 cents.

No. 233—Jiu Jitsu

A complete description of this famous Japanese system of self-defence. Each move thoroughly explained and illustrated with numerous full page pictures of Messrs. A. Minami and K. Koyama, two of the most famous exponents of the Jiu Jitsu in America, who posed especially for this book. Be sure and ask for the Spalding Athletic Library book on Jiu Jitsu. Price 10 cents.
